Arrival Phase: Upon arrival, collect your luggage and we will meet you at the airport. From there we will do a stop at grocery store in case anyone would like to make any purchases. There are limited resources on the Island. Then, we will catch the ferry and head over to Bruny Island. We will then transit to our accommodation in Adventure Bay.

Run Phase: The event will consist of 3 relay teams of 4 people in each. After dinner on Friday night, we will have a meeting to discuss who in the team wants to do which leg. We will also discuss the race details and answer any questions you have.

Bruny Island Ultra 2021: EVENT INFORMATION TEAM PARTICIPANTS

Race Safety: (Road is open to the public) Run on the right at all times, follow instruction of the SES Marshals, no iPods etc, and wear light coloured clothing if possible. Support vehicles drive ahead to changeover points not beside runners. Park as far off the road as possible. Please use hazard lights.

Batton collection and registration: Team runners are allocated a baton per team with timing chip. One team member checks in at registration desk to be allocated a team baton to start and finish with.

Support crew: Support crews are not to travel alongside runners - they wait for their runners at the 2km changeover points. Start time: Teams choose their own start time to finish at the lighthouse door between 11:00am and 2.30pm. Earliest start time is 4.00am. Maximum run time limit is 10.5 hours

Start protocol: Start times are staggered to ease road congestion and only one participant across start timing matt at a time to ensure accuracy. When registering a team you nominate a start time (if this changes— you do not need to notify organisers). Timing mat will sort overall time.

Notes: Participants can run in any order, may run back to back sections or multiples of 2km legs. Must only change at 2km

change-over points marked with signage on the course. Markers are as close as safely practicable to 2km distances. Changeovers must only occur on right hand side of the road.

Aid stations: All participants are responsible for their own water throughout the event. Participants should bring water with them to the Island. It is the responsibility of all runners to ensure they have sufficient food and water.

Drink stations with water and Gatorade will be at the 40 km changeover marker adjacent to Bruny Hotel, at the Lunawanna

Hall 20km from the finish and at the finish.

Toilets: Start, CWA hall, Neck car park, Community Centre and Bruny Hotel in Alonnah, Lunawanna Hall, and at the finish.

Veteran's Trails

Presentations: At Bruny Hotel beer garden from 3:15pm.
